# What's Happening

The holidays are right around the corner. This month is a good time to help your mentee reflect and think about the positives in their lives, and maybe even consider some goal setting. You could also consider doing some volunteer work together, or another project to help others. It is also good to talk with them about their family's holiday traditions, and for them to learn about yours and those of others. We are excited to be offering a large group activity this month for our matches. We will be hosting a movie night at Watts Theatre. Entry and concessions will be covered. We ask that attendees RSVP so the theatre can prep concessions ahead of time. See below for more details, and watch for a separate email to be sent.

We recently received several new referrals and are in need of mentors. For more information on become a mentor contact us a (641)732-3566.

## Mentor Training Opportunity from Iowa Mentor

### Adopting a Mentoring Mindset: Introduction to the Becoming a Better Mentor Series

A virtual training will be offered. Follow the dated link to register.

Thursday, December 5th 2024; 4:30-6:00pm

Adopting a Mentoring Mindset is an hour and a half training on critical attitudes, beliefs, and behaviors that serve as the foundation of being an effective mentor. A "mentoring mindset" is a way of thinking and interacting that place young people at the center of the mentoring relationship and allows those of us serving as mentors to be true partners in a young person's journey.

Participants will receive a certificate of completion and should come prepared to learn and interact with others.
